**OFFICIAL PRESS RELEASE  
OFFICE OF THE EXECUTIVE MAYOR  
2003-02-19**

**POTCHEFSTROOM CITY COUNCIL AUDIT REPORT**

On Monday 17 February the Auditor General presented his Audit Report to the City council of Potchefstroom.

The Auditor General has given our finances an unqualified report, meaning a clean bill of health. We are one of only two municipalities in the entire North West Province to have achieved an unqualified Audit Report.

The report also made suggestions for further improvements, which will be discussed at a special Council meeting on 12 March when the report will be tabled.

Since City Council administers monies collected from our residents on their behalf, we would like to encourage residents to attend this special Council meeting so as to be seized with matters of our finances. The meeting will be held at the new Council Chamber in Wolmarans Street and begins at 14:00.
