Senior Management of the Potchefstroom City Council hard at work

**The new Municipal Manager Mr
Radinaledi Mosiane**

The senior management of the Potchefstroom City Council [under the leadership of the new Municipal Manager Mr Radinaledi Mosiane] had taken two and half days off to discuss relatable issues affecting the municipality. This strategic planning session with an operative theme, "Towards an effective output-driven and better local government administration for the Potchefstroom City Council" – will address among others:

**Communications Unit
Potchefstroom City Council

www.potch.co.za**

"Age of Hope: A national effort for faster and shared growth"

- The Integrated Development Plan (IDP) – with the provision of an overview of development and service delivery challenges, the IDP as a response; key successes and failures and processes towards a new IDP;
- Developments and overview of the various departments of the municipality – Housing, Finance, Local Economic Development, Health and Environmental Services, Social Services, Office of the Municipal Manager, Infrastructure, Public Safety, Office of the Speaker and Corporate Services.

There will also be discussions on the Vision and Mission statements of the municipality, the Value Chain, Organizational Structure, Organizational systems, policies and procedures and the flow of reports.

End.
